

Bahrain E-Visa Required Documents

- 1. Valid Passport:** A clear digital scan of your passport's photo and information page. Ensure it has at least 6 months of validity from your intended arrival date in Bahrain.
- 2. Proof of Onward Travel:** A copy of your confirmed return flight ticket or a documented itinerary for travel after Bahrain.
- 3. Proof of Accommodation:** A hotel reservation confirmation or an invitation letter from a Bahraini host can strengthen your application.
- 4. Proof of Sufficient Funds:** Consider including a recent bank statement or a letter from your employer demonstrating you have enough financial resources to cover your stay.

Health Insurance: While not always mandatory, having valid health insurance covering your stay in Bahrain is a good idea.

Supporting Documents (for specific visa types): For specialized e-visas like the Business Meeting eVisa, you might need a letter from your employer or a business invitation letter.
